MOTIVATION RECORDS proudly introduces its series of *SINGING SCIENCE RECORDS*. We believe they are a unique landmark in young people's records and in science education. A remarkable combination of charming melodies and delightful lyrics, they contain an amazing amount of scientific information and delight the mind while they enchant the ear and heart.

TOM GLAZER, one of our foremost folk singers, is famous for countless delightful performances on young folks' records.

DOTTIE EVANS is one of the busiest TV recording vocalists in the field.

HY ZARET, who wrote the lyrics and text, and *LOU SINGER*, who composed the music, are two of the nation's most talented and versatile songwriters. They have won every major broadcasting award for their "Little Songs" and written many famous "popular" songs.
